## Doing Good. Together.

At Tarkett, we believe that together, we can make a positive impact on people and the planet. We strive to make high quality, sustainable flooring to help you create healthier and people-friendly spaces.

We listen to our customers' needs and collaborate with all our stakeholders to design products that deliver optimal performance, promote healthy living and respect natural resources.

### We are designing for life

People spend 90% of their time indoors, working, learning and relaxing. We help you to create healthier, safer, more people-friendly indoor spaces by designing high quality, sustainable products. All Tarkett vinyl products manufactured in the European Union are 100% phthalate free. iD Supernature also showcases very low VOC emissions for optimal indoor air quality. Through our focus on Cradle to Cradle® design, we make our products in a way that helps to preserve natural resources and mitigate climate change.

### We are closing the loop

iD Supernature are eligible to our ReStart® takeback programme, we help you to manage your flooring waste effectively while contributing to safeguarding the world's natural resources and protecting the environment. We recycle your flooring offcuts and waste from our production, transforming it into new, high quality products. In this way, we can collectively close the loop and shift to a circular economy.

### We're driving collaboration

The world's great sustainability challenges require co-operation and partnership across industries and supply chains. We encourage our customers and all our stakeholders to join us in working toward positive change. Importantly, we communicate our sustainability progress transparently, and provide you with clear information about our products and ambitions.

## Doing Good. Together.

Every day, we strive to improve people's lives, preserve natural resources and respect our environment.

# TENDER SPECIFICATIONS

The selected flooring similar to iD Supernature belongs to the compact vinyl floors category manufactured with the phthalate free technology\* based on alternative plasticizers and with calandered backing layer made of recycled vinyl. It contains over 30% of recycled material.

It is available in several formats and shapes with no bevels: small hexagon (20 x 23.1 cm), large hexagon (33,33 x 38,49 cm), herringbone left and right (8,33 x 38.49 cm), big tiles (50 x 50 cm, 50 x 100 cm, 100 cm x 100 cm, 100 cm x 150 cm) small plank (10 x 50 cm), regular planks (25 x 50 cm, 16,66 x 100 cm, 12,5 x 122 cm, 20 x 122 cm); multiple shape and format combinations are possible.

iD Supernature is available in 2 wear-layer : 0,55 (class 33) and 0,70 (class 34). The wear-layer is reinforced with a UV photo crosslinked polyurethane including particles of alumina TopClean XP™ treatment, which permanently suppresses any wax and regenerating polish spray maintenance operations. It has a static indentation resistance  $\leq 0,05\text{mm}$ .

Its emission rate of volatile organic compounds in air is less than  $10 \mu\text{g} / \text{m}^3$  (COVT after 28 days). It is 100% phthalate-free and 100% recyclable and installation off-cuts can be collected and recycled through the Tarkett ReStart® program.

iD Supernature comes with a 10 Years Warranty.

# HOW CAN I CUSTOMISE MY FLOORING ?

In order to customise your iD Supernature flooring with iD Tattoo, there are a few necessary steps to be followed and a minimum order quantity of 70m<sup>2</sup> per reference.

Here's a clear explanation of how this process is handled, from the moment you test and play with the designs on the online configurator, until the moment you receive your own customised flooring, ready to be installed.

**1**  
**Explore & experiment** with the collection designs on the online configurator

**2**  
**Get in touch** with your local Tarkett point of contact to submit your request

**3**  
**Approve your customised** design via a PDF in 1:1 and 1:5 layout scale

**4**  
Receive your **real sample** within 5 days & approve it

**5**  
Receive your product code and **place the order**

**6**  
Receive your **customised** flooring (production and shipping within 20 working days)\*

\*Within the working days of the factory
